Cal Trans Building

The Cal Trans District Seven building is one of the most environmentally friendly buildings in the country. (December 2006)

Cal Trans Building

Cal Trans District 7 covers Los Angeles and Ventura Counties. There are 1,188 free-way miles in these two counties. The roads carry cars travelling 100 million miles each day. That is four time around the earth. (December 2006)

Cal Trans Building

Thom Mayne designed the environmentally friendly building. He won the Pritzker Architecture Award in 2005 for the structure. (December 2006)
