Mountain House

This is a planned community that began in 2001. It is planned for 40,000 people but its growth has been stymied by the bad economy. (April 2008)

Tracy

Tracy is growing because of spill over from the Bay Area. It now has 84,000 people. It became a city in 1910.
(May 2002)

Tracy

The Tracy Inn used to be on old Highway 50.
Now freeways bypass the town. (May 2002)
