# Crows Landing

Crows Landing is located on Highway 33. It is a small farm town with a population of 355. (August 2003)

# Crows Landing

# Patterson

Patterson was laid out in 1909 by Thomas Patterson. It's street plan is copied from Washington, D.C. and Paris. The streets radiate from a central plaza. There are gloriettas or roundabouts where the radiating streets meet the circular streets. (June 2002)
